

COMPANY PROFILE

Amesi Group Amchem Solutions Ltd.

ABOUT

Amchem Solutions Ltd, founded in 2019 and operating under the Amesi Group of Companies, is a distribution, sales and marketing company committed to delivering raw materials for industrial use through our network across the Sub-Saharan Africa region, Representing Croda (UK), Solvay (France), Spak OrgoChem (India), Emery Oleo Corp (Malaysia), among others.

Priding ourselves on providing superb service to our customers. We the owners and managers of Amchem have a combined industry expertise of over 60 years in offering Specialty and Semi-Speciality ingredients in various sectors of manufacturing; spanning from home and institution care, to personal care, paints, construction and pharmaceuticals. We also assist customers with technical information regarding products and development through our highly skilled technical team of industry experts.

Head-quartered in Johannesburg, South Africa, Amchem group operates a distribution network with sales offices in West Africa, Central Africa, East Africa and Southern Africa.

Amchem sources its products and solutions from major global raw materials manufacturers and technologies providers worldwide. We capitalise on our proximity to the regional markets to develop and maintain an in-depth understanding of our customers' needs while creating synergies aligned to regional and global trends, this benefit our customers by offering the best, yet practical, solutions to the manufacturing industry in Africa.

OUR VISION

To become a recognised brand and solutions provider within the African Manufacturing Industry.

MISSION

Amchem Solutions Ltd exists to provide the African manufacturing industry with quality and competitively priced specialty ingredients, which in turn will help countries across Africa meet key objectives of providing products with enhanced value to their people.

Amchem Solutions Ltd will achieve this by striving to continually invest in technology and people thus supplying customers with the right products, at the right price and delivered on time. Amchem continually assesses the market conditions to determine any changes in customers' requirements and ensure the Company is always positioned to respond appropriately and adequately to our customers' needs.
